Winner—Br. f, by Watercress—Touche Pas (trained by A. J. Plique).
Went to post at 1:59. At post 8 minutes. Start fair. Won driving; second easily.
Parisiene was bumped into at the start and it took her best effort to get to the leaders.
raced Miss Hume into submission while rounding the far turn and had enough left to stall
off Dusky in the last sixteenth. She was tiring at the end and swerved over toward the
inside rail. Dusky ran an excellent race, finished gamely and should be hard to beat from
now on. Miss Hume outbroke her field and showed speed, but tired in the last furlong.
She likes the mud and runs her best races over a heavy track. The others were outclassed.
it was a three-horse race all the way.

Went to post at 2:35. At post 3 minutes. Start good. Won driving; second easily.
Bud Embry had the inside position at the post, got away well in motion and, showing the
most speed for the entire trip, outgamed The Regent in the final drive. The latter moved
up on the backstretch and raced along with the winner all the way, but faltered when the
pinch came. Sarah Maxim was carried wide at the first turn and outrun for the first half,
but caught Lampoon tiring at the end and finished fast. McWilliams closed up fast in the
stretch run, but Mulholland could not keep him from the inside rail and he finished in
behind horses. Lampoon went well for three quarters.

Winner—Ch. c, by Bassettlaw—Recollection (trained by C. H. Diebold).
Went to post at 3:05. At post 3 minutes. Start good. Won easily; second driving.
Colonel Tyler was well ridden and rated in behind the leaders to the stretch turn and came
away without urging in the last furlong. One More showed the most speed for six fur-
longs and tired when strongly challenged. Radford was hustled along for the entire trip,
came wide at the turn into the homestretch and finished going fast. Whitmore was bumped
into by Radford at the furlong post and quit. Meistersinger was overweighted, but closed
a big gap. Wiedemann showed early speed.
Scratched—Strader, 110.

Went to post at 3:35. At post 6 minutes. Start good. Won driving; second easily.
Helg'sen took Aggie Lewis back in the first half and came wide at the turn into the home-
stretch, but she finished fast, caught Agnes Brennan tiring and got up in the final stride.

Agnes Brennan ran the best race she has shown at the meeting and finished gamely. Julia
M. began slowly and raced next to the inside rail until on the turn for home, where she
came to the outside, finished fast and just managed to get up in time to beat Lady Free
Knight. The latter was much used in chasing Agnes Brennan and tired when the pinch
came. Bronx tired. Major Carpenter showed early speed, but quit in the last furlong. The
winner, entered to be sold for \$1,000, was run up to \$1,500 by A. Simons and purchased by
him.

Went to post at 4:10. At post 6 minutes. Start very bad. Won easily; second the
same. Sadducee was off flying, with the rest of the field strung out and, holding the lead
throughout, won going away. Jimalong raced up to the leader while rounding the far turn,
but tired when the final drive came. New York saved ground at the turn into the home-
stretch, finished fast and would have been troublesome with an even break. Scorpio was
practically left at the post and had no chance.

Went to post at 4:45. At post 3 minutes. Start good. Won driving; second easily.
Wreath of Ivy and Footlights Favorite were crowded back at the start. Both were on the
outside for the entire trip and swung wide at the turn into the homestretch. Wreath of
Ivy stood a long drive gamely and won in the last stride. Footlights Favorite contended
every stride of the last furlong and only lost because her weight told at the end. Alle-
grette broke away well in motion, showed early speed and saved ground at the turn into
the homestretch, but tired in the last sixteenth and had all he could do to stall off Any Day.
The latter, Ora McKinney and Snow Cap finished gamely. Jim Ferrin got into a jam at
the start and Munro had to pull up. Bountiful bolted to the outside at the turn for home
and this put him out of the struggle.
Overweights—Any Day, 2 pounds.

Louis Wagner decisively outpaced and outstayed his field, got away in the lead and held the
others safe throughout. Nullah, lucky at the start and skillfully handled, was the only
serious contender in the stretch and beat the others away off for second place. Cardwellton
followed the winner closely to the stretch, but boring out on the turn and losing much
ground, he tired badly at the end. Hungarian got away slowly and ran in the rear to the

BRIGHTON BEACH.

"President Engeman is having constructed at Brighton Beach a lawn which, in extent, will be larger than any which now graces the grounds of any other racing association," says the Morning Telegraph of Dec. 22. "He is having extended the lawn now in front of the grandstand proper until it practically will reach the head of the stretch. This will make, for all purposes, a continuous natural stand nearly a quarter of a mile long. At no point will it be lower than is the present elevation in front of the grandstand, and the only division at all in it will be the rail which will separate the large enclosure from the field stand. This latter structure will be raised and the filling in of the low level, which now extends from its base to the track proper, will give to occupants of it a much better view of finishes than they have been able to obtain heretofore. In addition to the decided beauty which this new plan will create, it will afford a great relief to racegoers on holidays and other occasions when famous stakes attract many thousands of enthusiasts. In other years the public felt compelled to confine themselves to the grandstand and the slope in its immediate front if they would view a contest, with the result that on Brighton Handicap and on Cup Day and other like occasions there was crowding that was uncomfortable. Now the multitude, on such occasions, will be able to see races from start to finish. It really will enlarge the capacity of Brighton by many thousand, and is at once an economy of space and a

boon to the public. Brighton certainly is keeping pace with its splendid ambitions and public patronage is keeping pace with every advance effected."

WARNING TO HANDBOOK PATRONS

As there will be no more race results sent over the tickers, the public will have to depend upon information as given out by agents of the different handbooks. Players should do business with reliable agents, as the unreliable ones will be tempted to accept bets on the losers after they receive the winner over the telephone. If a bet is placed late the player should note the exact time and compare with the "off" time in Daily Racing Form, and if you think the result was already known to the layers write a letter, giving name of agent, location and name of agent's principal, and the undersigned will endeavor to adjust the matter.

Time, 1:12.
 Winner—B. g. by Henry of Navarre—Tarpeia (trained by F. Regan).
 Went to post at 2:38. At post 1 minute. Start good. Won in a canter; second easily. Dick Turpin, in grand form and very fit, indulged H. L. Frank to the far turn, where he went up to and passed him with great ease, coming away under a pull, far outclassed his field and is probably the best colt in training here. H. L. Frank made the running for half the journey and then relinquished his lead to the winner, but held on unexpectedly well and finished an easing up second. Military Man got away flatfooted and was badly outrun to the stretch, where he closed up with a whirlwind rush. Dr. Rowell, a very good looker and palpably on the big side, held on in third place to the last stride and Bullman appeared to be caught napping. Bombardier showed much improvement. Flea belongs elsewhere. Red Cross Nurse got away poorly and probably is best in soft going.

Overweights—Bombardier, 1 pound; Red Cross Nurse, 1.
 Dick Turpin, show, out. H. L. Frank, show, 1 to 5. Military Man, show, 1 to 4.

 Winner—Ch. g. by Rancocas—Heeley (trained by E. Getchell).
 Went to post at 2:59. At post 1 minute. Start good. Won pulled up; second easily. Sad Sam, very good and with a track to his liking, went out and spreadeagled his field, winning away off and was much the best. Money Muss, after a vain effort to get up, finally took matters easy the remainder of the journey and was easily second best. Albemarle loomed up in the stretch, then tired right at the end, but is consistent and ran a good race. St. Winifride could never get up into serious contention. First Chip was out of place and fell quickly out of the race and only looked half fit. Captivate has trained off.
 Scratched—43119 Aunt Polly, 107; 43143 Velma Clark, 107; (42895) Mildred Schultz, 104; 43237 Alice Cary, 97.

 Winner—B. c. by Brutus—Seraphin (trained by W. Fisher).
 Went to post at 3:26. At post 1 minute. Start good. Won driving; second the same. Jockey Club raced quickly into a long lead and, entirely too much use being made of him, he tired in the stretch run, but stuck to his work gamely and was probably best. Nigrette, greatly improved, trailed the winner to the stretch, where she suddenly moved up and appeared like winning when commencing the final sixteenth, succumbing only in the last few strides. Caronal ran on the outside throughout, closing up with a whirlwind rush in the stretch and was probably unlucky to lose. Position trailed hopelessly out of it, making up some ground in the last quarter. Allopath showed speed for six furlongs, but failed to stay.
 Jockey Club, show, 1 to 3. Nigrette, show, 3 to 5. Caronal, show, out.

 Winner—B. c. by Artillery—Princess Norette (trained by W. B. Jennings).
 Went to post at 3:54. At post 1 minute. Start good. Won pulling up; second easily. Shot Gun broke flatfooted but took the lead almost on the instant and won cantering throughout. Kenilworth was crowded in the first furlong and pulling up, had a rough journey to the stretch, where he closed up fast but never seriously menaced the winner. Peter J. moved up after trailing the field a quarter and finished a fast going third. Embree went a steady good race from start to finish and showed great improvement. Amasa went a fast half and is good among his kind.

 Winner—Br. g. by Preston—Loma (trained by T. Boyle).
 Went to post at 4:18. At post 1 minute. Start good. Won driving; second easily. Prestolus, skillfully handled, ran within hailing distance of the leader to the stretch, where he came through on the inside and Martin's best work was in evidence when he brought him up to win in the last stride. El Oriente made the running throughout, and but for a wide stretch turn would have won although he tired badly at the end. Illowaho swerved all over the course and had a rough early journey, but is evidently all in, his race being bad. Discus closed up steadily in the last six furlongs and will make good over a distance of ground among this kind. Brennus is strictly a mudlark and failed to stay after a close attendance on the winner for six furlongs.
 Scratched—24973 Colonel Smith, 110; 43223 Pat Morrissey, 102; 43225 Theodora L., 102.
 Prestolus, show, 2¹ to 1. El Oriente, show, 1 to 3. Illowaho, show, 3 to 5. Brennus, show, 1 to 3.

GOSSIP OF THE TURF.
Fred Burlew is not quite certain that he did a judicious thing when he sold Blues for \$5,000. The old horse has taken on so much flesh in the past month and acts so kindly that, in spite of the fact that Burlew made \$3,300 by the transaction, he has doubts at times when he looks at that \$3,300 and then has visions of what Blues might do in some selling races next season. When an old trainer heard about Burlew's doubts he remarked: "The doubts he has now would not be a marker to the doubts he would have about his judgment if he had refused the \$5,000. He hasn't any reason to be on bad terms with himself." Blues, it is said, never looked so well as he now does, and he will go to the stud in splendid shape to prove the worth of the great horse from whose loins he came.

The Coney Island Jockey Club, whose stake offerings for the June meeting aggregate in estimated value almost a quarter of a million dollars, has ambitious plans in prospect for the September meeting also. While these plans are as yet in the incipient stage, they have so far developed that the decision has been reached to place the Twin City Handicap on a plane with the Suburban and the spring handicaps of the other jockey club tracks, so far as value and the importance that comes from a rich stake goes. The Twin City Handicap is the principal handicap of the September meeting. In previous years it has been an added money event, with \$3,500 added. Just what conditions will be made for the race, and whether or not it will be a guaranteed or added money event is one of the matters yet to be decided upon, but it will be a valuable fixture. No stake increase that has been announced for the coming season will be more pleasing than the raising of the value of the Twin City. It is one of the old stakes of the Coney Island Club, and has always been a popular race. It has rarely been won by a bad horse, and numbers among its winners such turf stars as Firenze, Lamplighter, Requitall, Ornament, The Friar, Ethelbert, Herbert, Gunfire and McChesney.

J. D. Adkins (Canada Jack), who branched out as an owner-trainer last season, and who had a fair measure of success at the Bennings meeting, now has horses quartered at Sheephead Bay. The string includes Lord of the Valley, Lady Mirthful and two coming two-year-olds. One of these is by Woolsthorpe—Austria, the other by Tithonus—Irony. Both were well tried at Bennings and are youngsters of much promise. Adkins still has faith in Lord of the Valley, despite the fact that he showed no inclination to stay in his races at Bennings. The colt is eligible to all of the principal events of next season that have already closed. The horses at the Bay are all in splendid condition. Adkins has a horse or two at New Orleans also, and he expects to leave New York for the Crescent City in a short time.

Pat Civill's string of horses, consisting of a half dozen head, are recent arrivals at Montgomery Park. The consignment came from St. Louis.
